Message from the chair

Hallelujah! Winter is finally beginning to appear in our rearview mirror and the green of spring is coming into focus. Your Golf Committee has been diligently planning this year's Spring Golf Outing over the last several months and I can't tell you how excited we are in anticipation of seeing all of our golfing members on Monday, May 8, at the Country Club of Harrisburg.

We've come up with more exciting games, valuable prizes, free gifts for all and, as usual, a lunch and dinner spread that is worth the entry fee alone. Most importantly, I want to commend our sponsors who support our endeavor every year and have made the West Shore Chamber of Commerce Golf Outing the most prestigious golfing event in south central Pennsylvania. Thank you to all of our members who have registered. You'll have a wonderful time, great food and a super opportunity to network with the Harrisburg area's top business leaders.
